Statement of intent

Dodworth St. John the Baptist Academy is committed to taking all steps to avoid placing anyone at a substantial disadvantage and works closely with pupils with disabilities, their families and any relevant outside agencies in order to remove any potential barriers to their learning experience.

The school is active in promoting an inclusive, positive environment by ensuring that every pupil is given equal opportunity to develop socially, to learn and to enjoy school life. The school continually looks for ways to improve accessibility within the school through data collection, parent questionnaires and discussions.

This policy must be adhered to by all staff members, pupils, parents and visitors.

Vision

1.1.1 Our Vision – Preparing for Life’s Big Adventures

At Dodworth St John the Baptist Primary Academy, we prepare our pupils for the adventures life brings. By fostering respect, curiosity, and teamwork, we aim to nurture individuals who will contribute positively to their community and the wider world.

Together, we build a legacy of pride, purpose, and possibility for the future.

Our vision is rooted in the Christian principles of **guiding** kindness, honesty, and unity, (Mark 1:3: “Prepare the way for the Lord, make straight paths for Him” from **John**, who pointed the way), to embrace learning and *life in all its fullness* (John 10:10). This is encapsulated in what we call **The Dodworth Pledge**:

In line with the Equality Act 2010, the school does not unlawfully discriminate against pupils because of their age, disability, gender reassignment, race, religion or belief, sex or sexual orientation, pregnancy or maternity, marriage or civil partnership.

3. Roles and responsibilities

The Local Governing Board (LGB) will be responsible for:

- Monitoring the Accessibility Plan.
 - Approving the Accessibility Plan before it is implemented.
- 

The Headteacher will be responsible for:

- Creating an Accessibility Plan with the intention of improving the school's accessibility, in conjunction with the governing board
- Ensuring that staff members are aware of pupils' disabilities and medical conditions where necessary.
- Establishing whether a new pupil has any disabilities or medical conditions which the school should be aware of.
- Consulting with relevant and reputable experts if challenging situations regarding pupils with disabilities arise.
- Working closely with the Local Governing Board (LGB) and external agencies to effectively create and implement the school's Accessibility Plan.

The SENCO will be responsible for:

4. Accessibility Plan

The school's Accessibility Plan demonstrates how access will be improved for pupils with disabilities, staff, parents and visitors to the school within a given timeframe. It will be presented as either a freestanding document or as part of another document, such as the School Development Plan. The Accessibility Plan will be structured to complement and support the school's Equality Information and Objectives Policy, as well as the Special Educational Needs and Disabilities (SEND) Policy.

The plan has the following key aims:

- To increase the extent to which pupils with disabilities can participate in the curriculum
- To improve and maintain the school's physical environment to enable pupils with disabilities to take advantage of the facilities and education on offer
- To improve the availability and delivery of written information to pupils, staff, parents and visitors with disabilities.

The intention is to provide a projected plan for a three-year period ahead of the next review date, which will be in September 2024. If it is not feasible to undertake all the plans/works during the lifespan of the Accessibility Plan, some items will roll forward into subsequent plans. The school will provide adequate resources for implementing plans, ensuring pupils are sufficiently supported.

The Accessibility Plan will be used to measure the necessity of making reasonable adjustments in order to accommodate the needs of people with disabilities where practicable. It will be used to advise other school planning documents and will be reported upon annually in respect of progress and outcomes.

During Ofsted inspections, the inspectorate may include the school's Accessibility Plan as part of their review. Both this policy and the Accessibility Plan will be published on the school website.

5. Equal opportunities

The school strives to ensure that all existing and potential pupils are given the same opportunities, and is committed to developing a culture of inclusion, support and awareness. The Accessibility Plan will detail any barriers which are hindering the opportunities for pupils with SEND. The aim of the plan is to take appropriate measures in order to overcome these barriers, allowing all pupils equal opportunities.

Staff members will be aware of any pupils who are at a substantial disadvantage and will take the appropriate steps to ensure the pupil is effectively supported. Wherever possible, teaching staff will adapt their lesson plans and the curriculum to allow all pupils to reach their full potential and receive the support they need. The school will ensure that all extracurricular activities are accessible to all pupils and make reasonable adjustments to allow pupils with SEND to participate in all school activities.

6. Admissions

The school will act in accordance with its Admissions Policy. The same entry criteria will be applied to all pupils and potential pupils.

7. Curriculum

The school is committed to providing a healthy environment that enables full curriculum access and values and includes all pupils regardless of their education, physical, sensory, social, spiritual and emotional needs. No pupil is excluded from any aspect of the school curriculum due to their disabilities or impairments. The school aims to provide a differentiated curriculum to enable all pupils to feel secure and make progress.

The SENCO will work to adapt a pupil's School support Plan (SSP), with advice sought from outside agencies where appropriate, to allow all pupils to reach their full potential.

Where areas of the curriculum present challenges for a pupil, these are dealt with on an individual basis. The class teacher, in discussion with the pupil and their parents, will ensure that all adjustments possible, in line with common sense and practical application, will be made for any disability or impairment. Physical education lessons will be adapted, wherever possible, to allow pupils with disabilities to participate in lessons.

There are established procedures for the identification and support of pupils with SEND in place at the school. Detailed pupil information on pupils with SEND are given to relevant staff in order to aid teaching, e.g. SFP's, EHCPs
